EPIDEMIOLOGICAL QUESTIONNAIRE FORM

Tel. NO. 727-75-33

Dengue and Chikungunya

Disease Reporting Unit	Barangay	District
Investigator	Designation	Date Investigated (MM/DD/YYYY)

From Endorsement?	Case ID	Date Endorsed/Reported (MM/DD/YYYY)
· Yes · No		
Disposition of patient during interview: · Still Admitted · at home · Died		

1. PERSONAL AND DEMOGRAPHIC INFORMATION				
1.1. Patient Profile				
Last Name:	First Name:	Middle Name:	Suffix:	
Date of Birth (MM/DD/YYYY)	Age: _____ · years · months · days	Sex at birth: · Male · Female	Civil Status: · Single · Married · Widowed	Nationality:
1.2. Current Address in the Philippines and Contact Information				
Lives in a closed setting?	☐ Yes, institution type (nursing home, mental institution, jail, etc.)		Name of institution	
	☐ No (indicate home address below)			
House No./Lot/Bldg.	Street/Purok/Sitio	Barangay	Latitude:	
			Longitude:	
Municipality/City	Province	Region	Length of Residence:	
Contact number (cellphone number or telephone number)				
1.3. Permanent Address (If different from the current address)				
House No./Lot/Bldg.	Street/Purok/Sitio	Barangay	Latitude:	
			Longitude:	
Municipality/City	Province	Region	Length of Residence:	
Contact number (cellphone number or telephone number)				
1.4. Special Population (indicate further details on exposure and travel history in Part 3)				
Healthcare Worker?	· Yes, Name of facility: _____ Facility address: _____ · No			
Returning Overseas Filipino?	· Yes, Country of Origin: _____ · OFW · non-OFW · No			
Foreign National Traveler?	· Yes, Country of Origin: _____ Date of arrival (MM/DD/YYYY): _____ · No			
1.5. Employment/Educational Details				
Current Status: ☐ Working ☐ Student				
1.5.1. Employment Details (if working)				
Employment Status: · Employed · Freelanced · Self-employed · Unemployed · Retired	Occupation (specify): Name of Workplace:	Work Arrangement: · Fixed on-site (Office) · Fully Remote (WFH) · Hybrid · Field-based	Last day attended to work: (MM/DD/YYYY)

2. MEDICAL INFORMATION

2.1 Clinical Information

With signs and symptoms within the past 14 days? ☐ Yes ☐ No

Had history of Dengue infection? ☐ Yes ☐ No

No. of times contracted dengue infection? _____

Last Date of infection: ____/____/____

Had history of Chikungunya Virus infection?

☐ Yes ☐ No

Last Date of infection: ____/____/____

First symptom experienced: _____ Date onset: _____

Had/has Fever?

☐ Yes

☐ No

Date Onset: _____

Temperature (highest): _____

Duration of fever

(in days): _____

Fever Pattern:

☐ Intermittent

☐ Remittent

Signs and Symptoms: Dengue

☒ Headache

☐ History of fever / chills

☐ Weakness/Body Malaise

☐ Irritability/Confusion

☐ Sore throat

☐ Non-productive cough

☐ Productive cough

☐ Anorexia

☐ Palpable liver

☐ Palpable spleen

☐ Jaundice

☐ Seizure

☐ Coma

☐ Neck stiffness

☐ Eye redness

☐ Sunken eyes

☐ Skin pinch

☐ Edema of face/neck

☐ Edema of lower extremities

☐ Skin rash (Petecheal, Herman's sign)

☐ Generalized

☐ Localized

Location: _____

☐ Loss of appetite

☐ Diarrhea

☐ Nausea

☐ Vomiting

☐ Melena (black, tarry stool)

☐ Bleeding, from:

☐ Mouth

☐ Rectum

☐ Sputum

☐ Urine

☐ Other: _____

☐ Other signs, specify: _____

☐ Pain

☐ Muscular ☐ Chest

☐ Abdominal ☐ Joint

☐ Head ☐ Retro-orbital

☐ Others: _____

☐ Other symptoms,

Specify: _____

Signs and Symptoms: Chikungunya

Arthritis ☐ Yes ☐ No

If yes, site:

☐ Hands

☐ Feet

☐ Ankles

☐ Others: _____

☐ Arthralgia

☐ Periarticular Edema

☐ Skin Manifestations

If yes, describe: _____

☐ Myalgia

☐ Back Pain

☐ Headach

☐ Nausea

☐ Mucosal Bleeding

☐ Vomiting

☐ Asthenia

☐ Meningoencephalitis

Other S/sx: _____

Clinical Diagnosis: _____

Underlying conditions:

☐ Pregnant, LMP ____/____/____

MM DD YYYY

☐ Post-partum (<6 weeks), delivery date ____/____/____

MM DD YYYY

☐ Immunodeficiency

☐ Others: _____

Comorbidities:

☐ None

☒ Hypertension

☐ Diabetes

☐ Gastrointestinal

☐ Genito-urinary

☐ Neurological

Disease

☐ Heart Disease

☐ Lung Disease

☐ Others: _____

☐ Cancer

☐ PWD

2.2. Medical Consultation and Admission Information

Have recently consulted a healthcare provider? ☐ Yes ☐ No

Order	Place of Consultation (can be Health Center/ alternative/ clinic or hospital)	Admitted?	Diagnosis	Date/Time Consultation /Admitted	Date/Time Discharged	Reason for Discharge (e.g. Recovered, Died, HAMA, Financial, different diagnosis, OPD only, etc.)
1st		☐ Yes ☐ No				
2nd		☐ Yes ☐ No

Email: cityhealth@quezoncity.gov.ph

3rd		☐ Yes ☐ No				
4th		☐ Yes ☐ No				
5th		☐ Yes ☐ No				

Total no. of consultations: _____

If more than 5, write on the back

Health status at consultation: ☐ Asymptomatic ☐ Mild ☐ Moderate ☐ Severe ☐ Critical

If admitted, fill out the following

Order	Place of Admission (Name of facility)	Address	Type of bed occupied (ICU, ER, Ward, specify)	Date Admitted	Date Discharged	Reason for Discharge (e.g. Recovered, Died, HAMA, Financial, different diagnosis, OPD only, etc.)
1st						
2nd						
3rd						

2.3 Laboratory Information

Rapid Diagnostic Test:

☐ NS1Ag

Result:

☐ Positive

☐ Negative

☐ IgM

Result:

☐ Positive

☐ Negative

☐ IgG

Result:

☐ Positive

☐ Negative

RT-PCR: ☐ Yes ☐ No

Viral Isolation: ☐ Yes ☐ No

Dengue Serotype:

☐ DENV-1

☐ DENV-2

☐ DENV-3

☐ DENV-4

Specimen: _____

Date & Time of Collection: _____

Place of Testing: _____

Specimen: _____

Date & Time of Collection: _____

Place of Testing: _____

Hematology:

	DATE	RESULTS	DATE	RESULTS	DATE	RESULTS	DATE	RESULTS
Hemoglobin								
Hematocrit								
RBC Count								
WBC Count								
Platelet Count								

Use another sheet if needed

Other laboratory information:

--

2.4 Vaccination Information

Vaccinated for Dengue? ☐ Yes ☐ No

If Yes, Name of Vaccine: ☐ Dengvaxia ☐ Others, specify: _____

Date Vaccinated: _____

Place of vaccination: _____

2.5. Medication

Did you take any of the following medication(s) prior to consultation? ☐ Yes ☐ No

☐ Others, specify: _____

3. Exposure and Travel History

3.1 Exposure/Environmental Observation

Is/are there presence of adult mosquito **INSIDE** the house? ☐ Yes ☐ No

Breeding site	Count (all)	With water present (count)	With mosquito larvae present (count)
☐ Water storage containers			
☐ Plant pots			

Notes/remarks:

☐ Others:			

Tel. No. 929 15 39

Is/are there presence of adult mosquito **OUTSIDE** the house?

☐ Yes ☐ No

Breeding site	Count (all)	With water present (count)	With mosquito larvae present (count)
☐ Water storage containers			
☐ Plant pots			
☐ Plant saucers			
☐ Flower Vase			
☐ Canal			
☐ Open Bottles			
☐ Tires			
☐ Others:			

Notes/remarks:

3.2. Travel History

With history of international travel to areas with known dengue and/or chikungunya outbreaks?

- Yes, Inclusive Dates of Travel: _____

- No

Date of Arrival in the Philippines (MM/DD/YYYY): _____

Country of Origin: _____

With history of local travel to areas with known dengue and/or chikungunya outbreaks?

- Yes, Inclusive Travel Dates to: _____

- No

Inclusive Travel Dates from: _____

Province/ Municipality/City visited: _____

EPIDEMIOLOGICAL INFORMATION: Chikungunya

History of travel within the previous 30 days prior to symptom onset: ☐ Yes ☐ No

If yes, where: _____

Place of residence: _____

Have you received blood or blood products within the previous 30 days prior to symptom onset? ☐ Yes ☐ No

4. CASE CLASSIFICATION, OUTCOME, AND STATUS

4.1. Case Classification

DENGUE		CHIKUNGUNYA
Case Classification:	Clinical Classification:	Case Classification:
☐ Suspect Case: A previously well person with acute febrile illness of 2-7 days duration with clinical signs and symptoms of dengue.	☐ Dengue without warning signs: Person with acute febrile illness of 2-7 days duration PLUS TWO of the following: Headache; Body malaise; Myalgia; Arthralgia; Retro-orbital pain; Anorexia; Nausea; Vomiting; Diarrhea; Flushed skin; Rash (petechial, Herman's sign)	☐ Suspect Case: Acute onset of fever (with a temperature of >38.5C or hot to touch), and severe/incapacitating arthralgia not explained by other medical conditions.
☐ Probable Case: A suspect case with positive dengue IgM antibody test.	☐ Dengue with warning signs: Person with acute febrile illness of 2-7 days duration with ANY of the following: Abdominal pain or tenderness Persistent vomiting Clinical signs of fluid accumulation (ascites, pleural effusion) Mucosal bleeding Lethargy Restlessness Liver enlargement >2 cm Laboratory: increase in Hct concurrent with rapid decrease in platelet count	☐ Probable Case: Acute onset of fever (with a temperature of >38.5C or hot to touch), and severe/incapacitating arthralgia not explained by other medical conditions and residing or having visited epidemic areas, having reported transmission within 15 days prior to the onset of symptoms.
☐ Confirmed Case: A suspected case with positive results for: Viral culture isolation; OR e Polymerase Chain		☐ Confirmed Case: A case meeting laboratory criteria, irrespective of the clinical presentation: - At least one of the following tests in the acute phase: - Virus isolation - Presence of viral RNA by RT-PCR - Presence of virus specific IgM antibodies in single serum sample collected in acute or convalescent stage.

near returning of age there in samples collected at least three weeks apart.

4.2. Outcome

· Alive

· Died, Date (MM/DD/YYYY): _____

4.3. Health Status

· Still sick

· Recovered, Date (MM/DD/YYYY): _____

5. INTERVENTIONS AND CONTROL MEASURE

ACTIONS	DATE	REMARKS
☐ Case Management		
☐ Immediate antibiotic given		
☐ Hospital referral		
☐ Isolation		
☐ Field Investigation		
☐ Close contacts identified		
☐ Exposure setting identified (school/dorm/household)		
☐ Laboratory Confirmation		
☐ Program Mgmt. & Counter Measures		
☐ Prophylaxis for close contacts		
☐ Active case finding		
☐ Surveillance alert		
☐ Vaccination (if outbreak setting)		
☐ Health Education		
☐ Response Coordination Mechanism		
☐ School coordination		
☐ Barangay notification		
☐ Coordinated with program		
☐ Coordinated with DOH		
☐ Risk Assessment		
☐ Cluster present? Yes/No		
☐ High-risk setting? (school, dorm)		

6. Exposure Risk

6.1. EXPOSURE RISK CONTACT INFORMATION

Does the patient know of other persons (e.g. household member, family member, classmate, neighbor, work colleague, etc.) experiencing similar illness?

☐ Yes ☐ No ☐ Unknown

If yes, please list contact information in the following table to initiate investigation of possible other cases:

Name	Relationship	Contact Number	Address

"Matatag, Mapagkakatiwalaan, at Maaasahang Pamunuan"

Management System

Email: cityhealth@quezoncity.gov.ph

☐ Yes ☐ No ☐ Unknown

Please list locations where patient had possible mosquito exposure during this viremic period:

Date	Location (e.g., church, school, friend's house)	Address

Timeline of Events: (narrative)

Date/Time

7. SURVEY AND OBSERVATION

Socio-demographic Profile (based on the total monthly income of household):

- Poor (<P12,030)
- Low (>P12,030 to <P24,060)
- Lower Middle (> P24,060 to <P48,120)
- Upper Middle (>P84,210 to <P144,360)
- Upper Income (>P144,360 to <P240,060)
- Rich (>P240,060)

Type of house residence

- Apartment
- Gated Subdivision
- Condominium
- Densely-connected houses

Overall condition of the house

- Excellent
- Good
- Fair
- Poor

8. KNOWLEDGE, ATTITUDE, & PRACTICE

Tel No. 929-75-39

Knowledge:

- What causes dengue fever? (*Ano ang sanhi ng dengue fever?*)
☐ Mosquito bites ☐ Person-to-person contact ☐ Contaminated water ☐ Don't know
- What type of mosquito spreads dengue? (*Anong uri ng lamok ang nagkakalat ng dengue?*)
☐ Aedes aegypti ☐ Anopheles ☐ Culex ☐ Don't know
- Can dengue cause severe complications like internal bleeding and organ failure? (*Maaari bang magdulot ang dengue ng malubhang komplikasyon tulad ng internal bleeding at pagkasira ng laman-loob?*)
☐ Yes ☐ No ☐ Don't know
- Can a person get dengue more than once? (*Maaari bang magkaroon ng dengue nang higit sa isang beses ang isang tao?*)
☐ Yes ☐ No ☐ Don't know
- Can dengue be fatal? (*Maaari bang ikamatay ang dengue?*) ☐ Yes ☐ No ☐ Don't know

Attitude:

- Do you think dengue is a serious health threat in your community? (*Sa tingin mo ba ay seryosong banta sa kalusugan ang dengue sa inyong komunidad?*) ☐ Yes ☐ No ☐ Not Sure
- How worried are you about getting dengue? (*Gaano ka nag-aalala na magkaroon ng dengue?*)
☐ Very worried ☐ Slightly worried ☐ Not worried
- Do you believe dengue prevention is a personal responsibility? (*Naniniwala ka ba na ang pag-iwas sa dengue ay personal na responsibilidad?*) ☐ Yes ☐ No ☐ Not Sure
- Do you believe regular cleanup drives are effective in reducing dengue cases? (*Naniniwala ka ba na epektibo ang regular na cleanup drive sa pagbawas ng kaso ng dengue?*)
☐ Yes ☐ No ☐ Not Sure
- If you had dengue symptoms, such as fever would you seek medical attention immediately? (*Kung ikaw ay may sintomas ng dengue gaya ng lagnat, agad ka bang hihingi ng medikal na tulong?*)
☐ Yes ☐ No ☐ Not Sure
- Do you think hospitals and health centers provide adequate care for dengue patients? (*Sa tingin mo ba ay sapat ang serbisyong medikal ng mga ospital at health center para sa mga pasyenteng may dengue?*)
☐ Yes ☐ No ☐ Not Sure
- If someone in your family had dengue, would you inform your barangay health workers or health center staff? (*Kung may dengue ang isang miyembro ng pamilya mo, ipapaalam mo ba sa barangay health worker o staff ng health center?*)
☐ Yes ☐ No ☐ Not Sure
- Would you allow your home to be inspected for mosquito breeding sites by health workers? (*Papayag ka bang inspeksyunin ang iyong bahay para sa mga pinamumugaran ng lamok ng mga health worker?*)
☐ Yes ☐ No ☐ Not Sure
- Would you be willing to get vaccinated against dengue if it is available? (*Hahanda ka bang magpabakuna laban sa dengue kung ito ay available?*)
☐ Yes ☐ No ☐ Not Sure
- If your home was identified as a mosquito breeding site, would you follow the recommendations given by health officials? (*Kung natukoy na ang iyong bahay ay pinamumugaran ng lamok, susundin mo ba ang rekomendasyon ng mga health official?*)
☐ Yes ☐ No

Practice:

- How often do you check and remove stagnant water around your home? (*Gaano kadalas mong chine-check at nililinis ang mga nakatigil na tubig sa paligid ng bahay?*)
☐ Daily ☐ Weekly ☐ Monthly ☐ Never
- Do you use mosquito repellents at home? (*Gumagamit ka ba ng mosquito repellent sa bahay?*)
☐ Always ☐ Sometimes ☐ Never
- Do you use mosquito nets while sleeping? (*Gumagamit ka ba ng kulambo habang natutulog?*)
☐ Yes ☐ No ☐ Sometimes
- Do you wear protective clothing (long sleeves, pants) to avoid mosquito bites? (*Nagsusuot ka ba ng proteksyong damit gaya ng long sleeves at pantalon para makaiwas sa kagat ng lamok?*)
☐ Always ☐ Sometimes ☐ Never
- How often do you participate in barangay cleanup activities? (*Gaano kadalas kang nakikilahok sa mga barangay cleanup activity?*)
☐ Always ☐ Sometimes ☐ Never
- Where would you go first if you suspect someone in your family has dengue? (*Saan ka unang pupunta kung pinaghihinalaan mong may dengue ang miyembro ng pamilya mo?*)
☐ Barangay Health Center ☐ Private Clinic/Hospital ☐ Public Hospital
☐ Traditional Healer ☐ Self-medication at home
- Have you ever reported a suspected dengue case to your barangay or health officials? (*Naireport mo na ba ang isang hinihinalang kaso ng dengue sa inyong barangay o health official?*) ☐ Yes ☐ No
